

Just few steps to the Walking Street, the most tourist attraction in Pattaya, ideally located on South Pattaya Beach Road,

facing through the sea with only the window separated, Baywalk Residence by Thaiwat is the target destination for your hip style of relaxing in Pattaya. Staying here, you can spend your holidays with the city-life of Pattaya which prominently distinguishes from any places around the world.

From the first pace that you walk into Baywalk Residence, our guests would feel the unique modern decoration combining the contemporary and trendy style together with our welcoming and friendly atmosphere within the same place. Convenience is the phase for Baywalk Residence, surrounded by all ideal-to-go places in your mind. Pattaya's show, tourist visit, and all favorite department complexes are in our distant area.

There is so much to enjoy from our unique accommodation. You'll never run out of things to do at our beach gateway of Pattaya. Welcome to Baywalk Residence Pattaya by Thaiwat and let us treat you recreation here.
